

Tillamook Volunteer Firefighter's Association

Federal Identification Number

93-0795939

Fellow Citizens:

Every year the Tillamook Volunteer Firefighter's Association asks for your tax-deductible support for our work and equipment on behalf of our community. The job of responding to rescue, medical and fire emergencies is ongoing, as is the need for adequate tools and equipment. The Tillamook Volunteer Firefighter's Association uses funds donated by community members to help purchase and replace equipment for the district.

During the past year your contributions have helped us acquire:

- * Rope Rescue Equipment
- * Medical Equipment
- * Portable Radios
- * Wildland Equipment
- * Rescue Stabilizer Jacks
- * Off-Road Rescue Rack

Please use the enclosed envelope for your tax deductible donation!

THANKS FOR YOUR SUPPORT!

EQUIPMENT PURCHASED BY ASSOCIATION

In 2006 your contributions allowed us to purchase nearly \$15,000 worth of equipment!

In 2006 the Tillamook Volunteer Firefighter's Association purchased the following with your tax-deductible contributions:

Wildland Equipment - Rescue Stabilizer Jacks
Portable Radios - Portable Flashlights
Rescue Backboards - Rope Rescue Equipment

Roll-Out Equipment Storage Rack

Assistant Chief
Mike Ellerbroek

Volunteer President
Jason Sterling

THANKS FOR YOUR SUPPORT!

MORE GRANTS MORE EQUIPMENT

In 2006 the District received additional grants to acquire equipment that was not funded by property tax revenue or donated funds.

Mobile Fire Training Trailer

This mobile fire training unit features a burn room allowing fire service instructors to conduct live fire evolutions at multiple locations.

The trailer is due to arrive in late April!

Purchased with Grant Funds from FEMA

Personal Protective Equipment

Funding was received for thirty (30) sets of structural firefighter gear worn for personal protective equipment.

PPE due to arrive in late March!

Purchased with Grant Funds from FEMA
